

LEON COUNTY SCHOOL DISTRICT

LEON COUNTY SHERIFF'S OFFICE

June 13, 2006

Dear Parents/Guardians, Teachers and School Staff:

Ensuring a safe environment in our schools and throughout the community is our top priority. We are fortunate to live in a community where safety is a priority we share with many other partners. Next year, we will be working with another partner to provide you with an enhancement to our school safety initiative by supporting the Big Bend Crime Stoppers Student Program.

The Big Bend Crime Stoppers Student Program offers cash rewards of up to \$500 for verified information about criminal activity in school, on school grounds or in our community. The caller's identity and the phone number from which they call remain completely anonymous.

At the beginning of the 2006-2007 school year, the Leon County Sheriff's Office will be presenting students and school staff with an overview of how this program works. You can learn more about it now by going to the LCSO website at www.leoncountysso.com or to the Big Bend Crime Stoppers website at www.bbcsi.org.

It is our pleasure to work with you in keeping our schools and community the safest possible places for our children to learn and grow. Thank you.
